This property belongs to the defendant Nirmal Chandra Dutt.

So far as appears from a search made at the office of the Registrar of Assurances at Calcutta, there are no encumbrances affecting the above premises except two subsisting mortgages in respect of the premises No. 149-A, Muktarani Babu's Street; one dated 6th day of

August 1916 to secure repayment of Rs. 20,000 with interest thereon at the rate of Rs. 7½ per cent. per annum with quarterly rests, but in case of regular payment of interest the same will be charged at the rate of Rs. 6½ per cent. per annum, and the other dated 28th day of August 1918 to secure repayment of Rs. 6,000 with interest thereon at the rate of 8 per cent. per annum with quarterly rests subject to the two attachments. On evidence it appears that the judgment-debtor Nirmal Chandra Dutt has paid interest on the mortgage for Rs. 20,000 in favour of Mr. K. S. Banerjee up to the 5th day of January 1919.

The sum for the recovery of which the sale has been ordered is Rs. 30,127-8 with interest thereon at the rate of 6 per cent. per annum from 30th day of August 1916 until realization, and the costs.

The conditions of sale may be seen at the office of the Sheriff of Calcutta on the ground-floor of the court-house on any day before the sale and will be produced at the sale.

THE Corporation of Calcutta are prepared, with the sanction of the Local Government and Government of India given under section 128 of Act IV (B.C.) of 1914 [The Calcutta Municipal (Loans) Act, 1914], to open Debenture Loans for Rs. 2,62,000 and Rs. 7,33,500, on the security of the rates, taxes and dues imposed and levied under the Calcutta Municipal Act, 1899.

(2) The debentures for the loan of Rs. 2,62,000 will have a currency of 17 years, commencing from 1st July 1919. The debentures of the loan of Rs. 7,33,500 will have a currency of 17 years, commencing from 1st January 1920. The rate of interest will be 5½ per cent. per annum for each loan, payable half-yearly on the 1st of January and the 1st of July.

(3) The debentures will be in the form proscribed by the Corporation with the sanction of the Local Government, under section 131 of Act IV of 1914.

(4) Debentures will be issued only for multiples of Rs. 100.

(5) Separate tenders for the whole or any part of the above two loans will be received by the Secretary to the Corporation, up to 12 noon (local time) on Saturday, the 13th September 1919.

(6) Each tender must be made out in the form relating to the particular loan annexed to this notification and enclosed in a sealed cover addressed to the Secretary to the Corporation, and superscribed—"Tender for Municipal Loans of 1919-20."

(7) Each tender must be accompanied by an earnest deposit in Government Promissory Notes, War Bonds, Calcutta Municipal or Port Trust Debentures, Currency Notes or Cheques, for not less than 3 per cent. of the amount tendered.

(8). (a) When a tender in respect of the loan of Rs. 2,62,000 is accepted, the earnest deposit in currency notes or cheques will be held as a payment in part of the amount tendered, and the tenderer will receive interest at 5½ per cent. per annum on the face value of debentures covered thereby from the date of acceptance of the tender up to the 31st December 1919, provided that the balance is paid up on the 22nd September 1919, as prescribed in paragraph 11 below; but no debenture will issue for the amount of the earnest deposit so long as the entire amount of the tender is not paid. The tenderer will similarly receive interest on the amount of balance paid on the 22nd September, from that date up to the 31st December 1919, and interest on the debentures will run from the 1st January 1920.

(b) When a tender in respect of the loan of Rs. 7,33,500 is accepted, the earnest deposit, when made in currency notes or cheques, will be held as a payment in part of the amount tendered, and will bear interest at the rate of 5½ per cent. per annum from the date of acceptance of the tender, provided that the balance is paid up on the 22nd September 1919, as prescribed in paragraph 11 below; but no debenture will issue for the amount of the earnest deposit so long as the entire amount of the tender is not paid.

(9) The earnest deposits on tenders which may not be accepted will be returned on application, and no interest will be payable on such deposits. If an allotment after being made is not taken up, or the full amount allotted is not paid as hereinafter prescribed, the earnest deposit shall be forfeited.

(10) The rate at which a tender is made must be specified in rupees, or rupees and annas; but not in any fraction of an anna. If a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out, and the tender treated as if the rate did not contain such fraction of an anna. A tender in which the rate is not specified in rupees, or rupees and annas, will be rejected as null and void.

(11) The whole amount of each allotment, less the amount of earnest deposits in currency notes or cheques, will be payable in the Bank of Bengal on the 22nd September 1919, and will bear interest from that date.

(12) Tenders will be opened by the Finance Special Committee of the Corporation at 12 noon on Saturday, the 13th September 1919, at the Municipal Office.

## Notice.

THE Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted Service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the Fund are—(1) that widowed daughters incapable of remarriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominees predecease them after five years of admission. The Fund is now of ten years' standing and has a balance of over three and-a-half lakhs with Government on four per cent. interest. For forms of applications and rules of the Fund apply to the Comptroller, India Treasuries, Imperial Secretariat Buildings, Calcutta.

**PUBLIC WORKS DEPARTMENT, BENGAL.****DISTRICT ROAD FUND.**

*Notification dated 25th September 1919.*—The subjoined abstract of the annual report and accounts of the district road committee of the Darjeeling district for the year 1918-19, together with the remarks of the Commissioner of the Rajshahi Division thereon, is published for general information.

*C. P. WALSH,*

*Secy. to the Govt. of Bengal.*

*Extract from letter No. 382 P.W., dated the 18th July 1919, from J. T. RANKIN, ESQ., I.C.S., Officiating Commissioner of the Rajshahi Division, to the Secretary to the Government of Bengal, Public Works Department.*

2. The chief feature of the year's working is that a District Engineer and two road sarkars were appointed, though in the latter part of the year.

3. During the year under report the receipts rose by Rs. 4,022. The expenditure also increased from Rs. 52,865 to Rs. 58,363. The committee's resources were not, however, fully utilised and consequently the closing balance in 1917-18, which was as high as Rs. 81,698, has been further increased to Rs. 1,00,865 during the year under report. It is hoped that during 1919-20 there will be a great reduction in the closing balance. The committee expended a sum of Rs. 7,311 in repayment of loans from Government, viz., Rs. 6,689 principal, and Rs. 622 interest. The expenditure on civil works increased by about Rs. 5,664, the increase being largely shared by original works and establishment and contingencies. With the appointment of a full subordinate engineering staff, it is expected that substantial improvement in communication will be made.

4. The contribution received from Government during 1918-19 was less than that of 1917-18 (Rs. 7,538 against Rs. 9,665), but the contribution from the Darjeeling Improvement fund rose from Rs. 7,194 to Rs. 8,830. This increase is due to the increased expenditure incurred by the appointment of a District Engineer and his peon, etc., at the joint expense of the Road and Darjeeling Improvement funds.

6. The number of meetings held by the District Road Committee, Kurseong branch committee and Terai branch committee was 8, 4 and 7 against 7, 4 and 8.

7. The work of the district committee and that of branch committees were performed satisfactorily.

*Abstract of the Report by the Chairman, District Road Committee of Darjeeling, on the operations of the District Road Fund of the district for the year 1918-19.*

[Vide letter No. 92 R.F., dated the 30th June 1919, from J. A. L. Swan, Esq., Chairman of the District Road Committee, Darjeeling, to the Commissioner of the Rajshahi Division.]

**1. Working of the Committee.—**

(a) **District Road Committee.**—There were 18 members of the committee—6 official and 12 non-official. Eight meetings were held during the year. The average attendance was 9·37 or 52·8 per cent. at a meeting.

(b) **Kurseong Branch Road Committee.**—The total number of members of this branch committee was 9—3 official and 6 non-official. Four meetings were held during the year. The average attendance was 3·75 or 41·66 per cent. at a meeting.

(c) **Terai Branch Committee.**—There were 15 members of this branch committee—2 official and 13 non-official. Seven meetings were held during the year. The average attendance was 6·14 or 40·95 per cent. at a meeting.

2. The year opened with a cash balance of Rs. 73,574-5-3 and an outstanding advance of Rs. 8,123-11-3, making a total of Rs. 81,698-0-6. This amount together with receipts of Rs. 77,529-15-7 or a total amount of Rs. 1,59,228-0-1 was available for expenditure during the year. The actual expenditure during the year was Rs. 58,363-6-1 excluding the unadjusted advance of Rs. 6,677-10-9. The actual cash balance on the 31st March 1919 was Rs. 94,186-15-3. The closing balance of Rs. 1,00,864-10 including the unadjusted advance of Rs. 6,677-10-9 exceeds one quarter's kist of the annual receipts. Portion of this unadjusted sum was expended, but no accounts having been received within the year it could not be adjusted. The closing balance is, however, expected to be reduced to its normal proportion on the appointment of the proposed District Engineer's staff.

### Receipts.

3. **Provincial Rates.**—The road cess was levied by the committee at the maximum rate of six pies in the rupee. Rupees 61,051-15-8 was collected under the head "Cess on lands" during the year against Rs. 56,624-8 in the previous year. The increase is due to the revaluation.

4. **Miscellaneous.**—A sum of Rs. 59-12-6 was credited under this head on account of sale proceeds of certain old materials of bridges and fees and fines due to revaluation works.

### 5. Contribution.—

(a) **Grant of Government.**—A sum of Rs. 7,537-11-10 was received from Government including Rs. 6,718 on account of augmentation of resources of the committee, against Rs. 9,664-14-11 of the preceding year. The decrease is mainly due to the less amount being credited on account of  $1\frac{1}{2}$  per cent. collection from Government estates for the quarter ending in March 1918.

(b) **Contribution from Darjeeling Improvement Fund.**—A contribution of Rs. 8,830-7-7 was received under this head towards communications and its share, as usual, of the cost of the joint cess and tanzi establishment and for Darjeeling Improvement Fund works against Rs. 7,194-2-9 in the previous year. The increase is due to the increased expenditure incurred for the appointment of a District Engineer and his peons, etc., at the joint expenses of the Road and Darjeeling Improvement funds.

(c) **Contribution from private bodies and other sources.**—A sum of Rs. 50 was received from the Darjeeling municipality during the year on account of collection of location rent.

### Expenditure.

#### COMMUNICATION.

6. **Original Works.**—Rupees 3,536-14 was charged under this head on account of erecting the Mooni bridge on road No. 41.

7. **Repairs.**—The sum of Rs. 28,859-3-3 as per details below was spent for repairs to roads and bridges against Rs. 28,515-11-2 in the previous year. The slight increase requires no explanation :—
